

LAB ASSIGNMENT 4

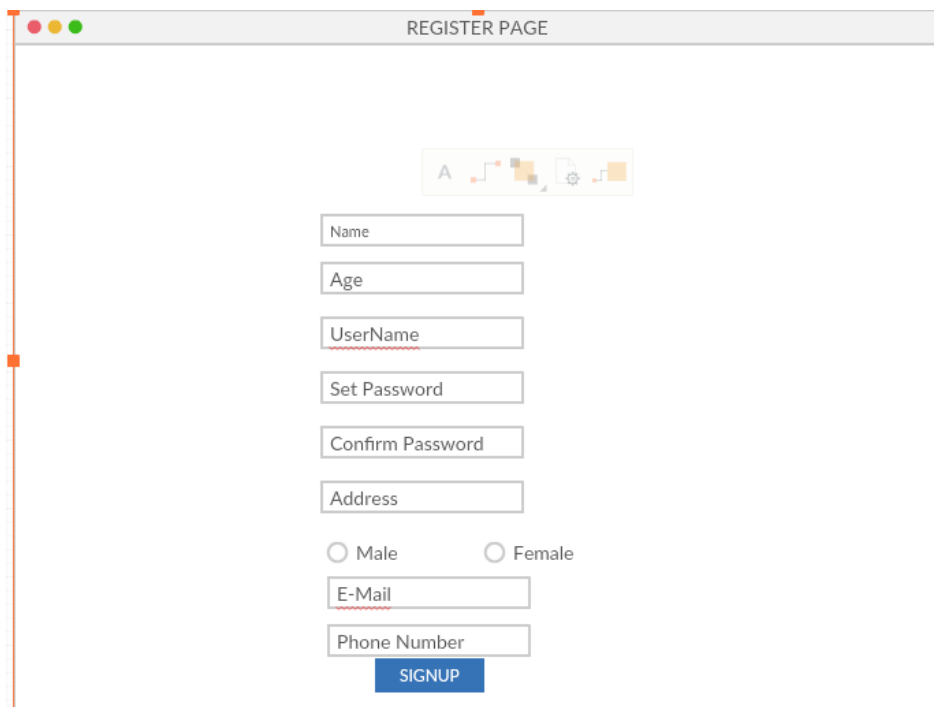

WIRE FRAMES

1. Login page

A wireframe of a login page titled "Login Page". It features a title bar with three colored window control buttons (red, yellow, green). The main content area contains two text input fields: "UserName" and "Password". Below these fields are two blue buttons: "LOGIN" and "REGISTER". The entire form is enclosed in a red wireframe border with orange corner handles.

2. Register Page

A wireframe of a register page titled "REGISTER PAGE". It features a title bar with three colored window control buttons (red, yellow, green). The main content area contains a toolbar with icons for text, image, and link. Below the toolbar are several text input fields: "Name", "Age", "UserName", "Set Password", "Confirm Password", "Address", "E-Mail", and "Phone Number". There are also two radio buttons labeled "Male" and "Female". At the bottom is a blue "SIGNUP" button. The entire form is enclosed in a red wireframe border with orange corner handles.

WEB APPLICATION

1. Login Page with UserDetails UserName, Password, Login and Register Buttons

ENTER THE DETAILS TO LOGIN OR CLICK REGISTER TO CREATE ACCOUNT

Username :

Password :

2. User can create an account by clicking register button.

ENTER THE DETAILS TO REGISTER

Name

Age

UserName

Set Password

Confirm Password

Address

Gender ☐ Male ☐ Female

E-Mail

Phone Number

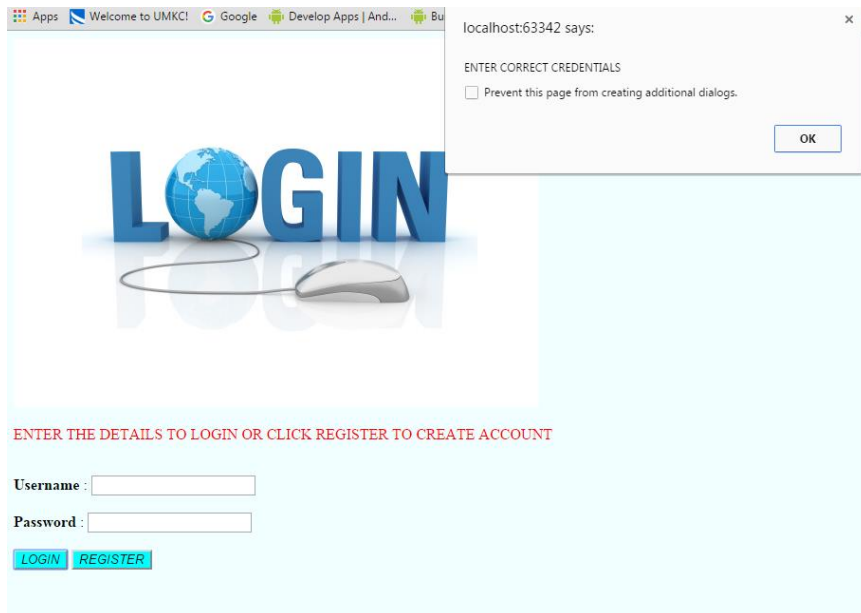

- NAME, USERNAME, PASSWORD AND CONFIRM PASSWORD FIELDS are mandatory fields and the passwords should match. If not alert is thrown.

The screenshot shows a web browser window with a registration form titled "ENTER THE DETAILS TO REGISTER". A JavaScript alert box is displayed in the foreground, stating "localhost:63342 says: ALL THE FIELDS ARE MANDATORY AND PASSWORDS SHOULD MATCH" with an "OK" button. The form fields are: Name (empty), Age (23), UserName (empty), Set Password (empty), Confirm Password (empty), Address (541E, 54th Terrace St,Kansas-city,MO), Gender (radio buttons for Male and Female, with Female selected), EMail (amulyap2108@gmail.com), and Phone Number (1234567). A blue "SIGNUP" button is at the bottom.

- After filling all the details and clicking the SIGNUP button, Login Page will be opened.

The screenshot shows the same registration form with all fields filled: Name (Amulya), Age (23), UserName (Amulya), Set Password (*****), Confirm Password (*****), Address (541E, 54th Terrace St,Kansas-city,MO), Gender (radio buttons for Male and Female, with Female selected), EMail (amulyap2108@gmail.com), and Phone Number (1234567). The blue "SIGNUP" button is at the bottom.

5. Validation is set to the login page to check username and passwords.
