

LAB ASSIGNMENT 3

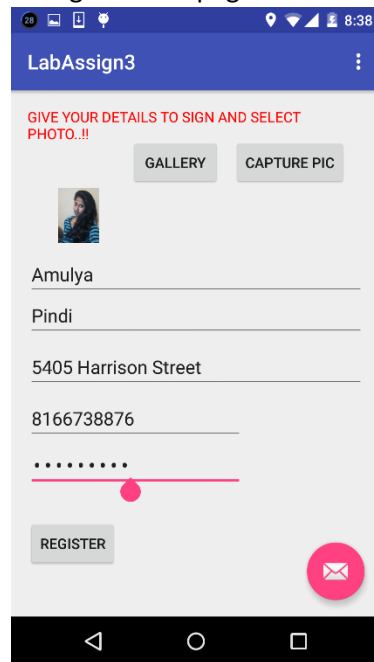

1. A sample signup page with basic details is created as follows. Hint is provided for the user for clear understanding.

2. Picture is taken either from gallery or capture pic from camera and is shown in UI

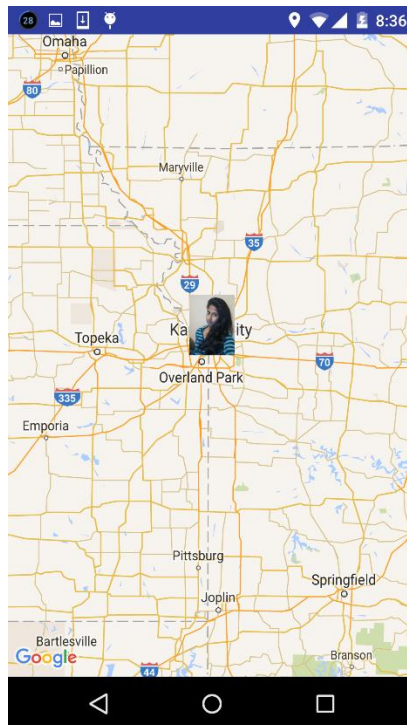

3. Fill the details and click on register to go to next page.

The screenshot shows a mobile application interface titled "LabAssign3". At the top, there is a red prompt: "GIVE YOUR DETAILS TO SIGN AND SELECT PHOTO..!!". Below this are two buttons: "GALLERY" and "CAPTURE PIC". A small profile picture of a woman is displayed. The form contains several text input fields with the following text: "Amulya", "Pindi", "5405 Harrison Street", "8166738876", and a password field represented by seven dots. A red dot is positioned on the password field. At the bottom left is a "REGISTER" button, and at the bottom right is a pink circular button with a white envelope icon. The Android navigation bar is visible at the very bottom.

4. After clicking the register the marker is pointed to the present location with the profile pic chosen in the signup page.

5. If you click on the image the address of your present location will be displayed.
